#### **Introduction**

The VFD Instruction and User's Manuals specify Fuji Electric DC Reactor part numbers. The following table provides alternate part numbers for MTE DC Reactors that can be used in place of the specified Fuji Electric part.

The VFD part numbers referenced here are for the FRENIC-MEGA series, but this cross reference also applies to all other drive models that specify these Fuji Electric DC Reactors (FRENIC-Ace, ect.) Refer to the relevant VFD Instruction and/or User's Manual for additional information on the installation and use of a DC Reactor.
