Fuji Electric FA Components
& Systems Co., Ltd.

HH63 and HH64 Series Power Relays

Notification regarding Changes in Internal Components and Country of Origin Indication

We would like to thank you for your continued patronage of Fuji products.

We will be changing some products as described below.

Please review the following information and take appropriate actions.

Please also inform all related sections of your company of these changes.

Product name	Power relay																			
Series name	HH63, HH64 Series																			
Type	HH63P□, HH63P-L□ HH64P□, HH64P-L□ *The rated voltage of the coil is specified in □.																			
Parts subject to change	Internal parts (movable contactor connecting part, operation indicator lamp part), cover, packing box																			
Details of the change	<p>(1) Change in shape of connecting part (plastic molded parts) of movable contactor. Current product: With uneven surface shape → Changed product: Without uneven surface shape</p> <p>(2) Change in the operation indicator lamp part. Current product: Shell LED, fixed on holder → Changed product: Chip LED, mounted on board</p> <p>(3) Change in country of origin indication. Current product (Country of origin: Japan): MADE IN JAPAN → Changed product (Country of origin: Thailand): MADE IN THAILAND</p> <p><Change applicable types></p> <table><tr><th>Type</th><th>Category</th><th>Change (1)</th><th>Change (2)</th><th>Change (3)</th></tr><tr><td>HH63P□</td><td>Standard product</td><td rowspan="4">✓</td><td>-</td><td rowspan="4">✓</td></tr><tr><td>HH63P-L□</td><td>With operation indicator lamp</td><td>✓</td></tr><tr><td>HH64P□</td><td>Standard type</td><td>-</td></tr><tr><td>HH64P-L□</td><td>With operation indicator lamp</td><td>✓</td></tr></table> <p>*✓ is subject to the change</p>	Type	Category	Change (1)	Change (2)	Change (3)	HH63P□	Standard product	✓	-	✓	HH63P-L□	With operation indicator lamp	✓	HH64P□	Standard type	-	HH64P-L□	With operation indicator lamp	✓
Type	Category	Change (1)	Change (2)	Change (3)																
HH63P□	Standard product	✓	-	✓																
HH63P-L□	With operation indicator lamp		✓																	
HH64P□	Standard type		-																	
HH64P-L□	With operation indicator lamp		✓																	
Reason for change	To improve the visibility of internal components and to change the location of the manufacturer																			
Date of the production change	Scheduled for products to be produced from February 2022																			
Attachments	Attachment: Comparison Before and After Relay Change																			
Notes concerning the changes	This change will not affect product form, fit, or function.																			

Comparison Before and After Relay Change

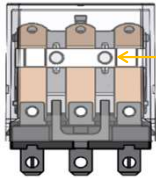

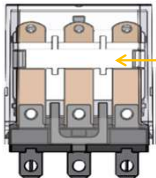

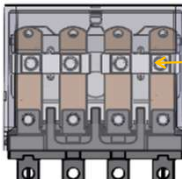

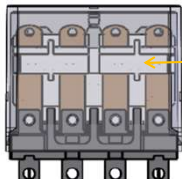

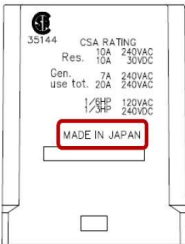

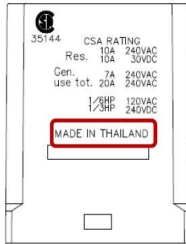

- (1) Change in shape of connecting part (plastic molded parts) of movable contactor.
Current product: With uneven surface shape → Changed product: Without uneven surface shape
(2) Change in the operation indicator lamp part.
Current product: Shell LED, fixed on holder → Changed product: Chip LED, mounted on board
(3) Change in country of origin indication.
Current product (Country of origin: Japan): MADE IN JAPAN
→ Changed product (Country of origin: Thailand): MADE IN THAILAND
