## New SC and NEO SC Series Thermal Overload Relay Trip Indicators Notification of Production Discontinuation [Announcement]

We would like to thank you for your continued patronage of Fuji products.

We are writing to announce the production discontinuation of some of our products.

Details are described below. Please review the following information and take appropriate actions.

Please also inform all related sections of your company of this production discontinuation.

Product name	Thermal overload relay trip indicators
Series name	New SC Series and NEO SC Series
Types	SZ-L100, SZ-L200, SZ-L100N2, SZ-L200N2
Reason for production discontinuation	Due to the decrease in demand, it has become difficult to provide a rational and stable supply.
Replacement models	There are no replacement models manufactured by our company.
Date of production discontinuation	End of August 2023
Attachments	None
Last order date	End of May 2023
Maintenance parts	There are no maintenance parts.
Others	None
