

Overview

When sending an email from FeWare to an external email address, attached files will be automatically detached and uploaded. External recipients will receive the original email body with a PDF attachment containing a file download URL. Recipients can then authenticate their email address via the URL in the PDF. After entering a verification code, they will be able to download the files. **Check the box remember for two weeks.**

① The email body and attachments are separated.

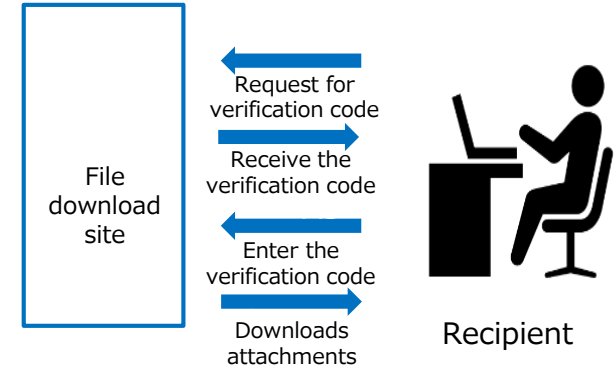

Emails with attachments will be separated into "email body" and "attachments."

② The email is sent to the recipient.

The email recipient will then be sent the email body along with a PDF containing the download URL for the attachments.

③ The recipient accesses the download URL and downloads attachments.

After accessing the download URL, the email recipient will request a verification code and receive it by email. By entering the received verification code, the attachments will become downloadable. **Check the box Remember Approval for two weeks.**

Recipient Operating Procedures

Step 01

Open the pdf file you received to access the download link. Click English, then click on the link. Access the download URL provided in the PDF attached to the email.

日本語 English 繁體中文 简体中文

Step 02

Confirm your email address and click "OK." or "Send Verification Code." A verification code will be sent to you in a separate email.

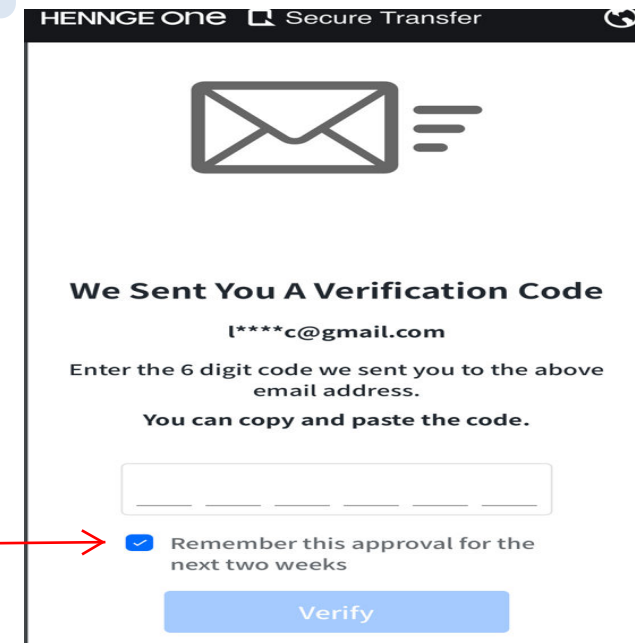

The screen shows 'You've received files.' at the top. Below it are two steps: '1 Enter email address' and '2 Enter verification code'. The email address 'us***@e***.com' is entered. A red box highlights the 'Send Verification Code' button.

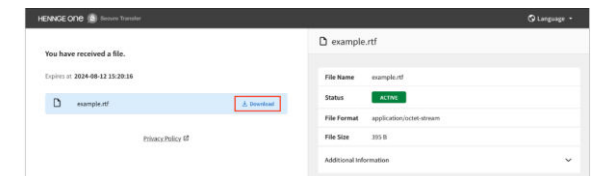

Step 03

Enter the verification code and download the file.

Click Remember this approval for the next two weeks

The screen shows 'HENNGE ONE Secure Transfer' at the top. Below it is an envelope icon. The text reads: 'We Sent You A Verification Code', 'l****c@gmail.com', 'Enter the 6 digit code we sent you to the above email address.', 'You can copy and paste the code.' There is a text input field for the code. A red arrow points from the 'Send Verification Code' button in Step 02 to this input field. Below the input field is a checkbox labeled 'Remember this approval for the next two weeks' which is checked, and a blue 'Verify' button.

The screen shows 'You have received a file.' and 'Expires at 2024-08-12 15:20:15'. Below it is a file entry for 'example.rtf' with a 'Download' button. To the right is a details panel for 'example.rtf' showing: File Name: example.rtf, Status: ACTIVE, File Format: application/octet-stream, File Size: 353 B, and Additional information.
