## **Notice of Discontinued Product**

Greetings:

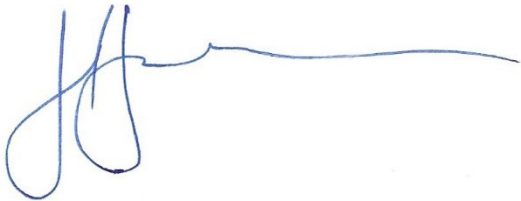

We thank you for your business and your continued support of Fuji Electric HMI Products.

This is the notification that the MONITOUCH HMI TECHNOSHOT TS1000 S Series is discontinued. The TS1000 S Smart Series has been replaced with the TS4000 Series effective immediately.

Discontinued Model	MONITOUCH HMI TECHNOSHOT TS1000 S Series
Reason of Discontinuance	New Product
Replacement Model <a href="#">Please refer to the Replacement Guide</a>	MONITOUCH HMI TECHNOSHOT TS4000 Smart Series

We appreciate your understanding and cooperation. Please contact us should you have any questions or concerns about this discontinuation and/or transition path to the TS4000 Smart Series.

Sincerely,

Joe Halliday
